

April 2023

Become the bee's knees at Kineton Green!

- Be safe and healthy
- Be confident
- Be trustworthy and honest
- Be a lifelong learner
- Be respectful

YEAR 2 SUMMER

What happens in Year Two this term?

Days to remember:

- PE on Tuesday and Friday
- Homework due in on Thursday
- New homework given out on Friday
- New spellings set on Tuesdays
- Reading books changed on Friday
- Library books changed on Wednesday

MAY— Year 2 children will take part in the SATs, which consists of two reading comprehension papers, two SPaG papers and two maths papers.

Summer 1 Topic— Animal Tales

In **English**, we will be exploring folk tales about Anansi the Spider, which originate from West Africa. We will explore how the tales often tell a moral lesson or answer a question about the natural world. We will be re-writing the stories, writing character descriptions and writing letters in the perspectives of different characters.

In **maths**, we will be focusing on fractions, where we will learn about $\frac{1}{2}$, $\frac{1}{4}$ and $\frac{1}{3}$. We will then look at length and height, where we will be using centimeters and meters to measure accurately. We will finish the term, learning about position and direction, where we will explore movement and turns.

In **science**, we will be exploring plants. We will be observing and describing how seeds and bulbs are grown and then think about what plants need to grow and how they stay alive.

In **PSHE**, we will be focusing on relationships. We will be thinking about the relationships we have with different people and what can make us feel comfortable or uncomfortable.

Are you practicing your KIRFS (Key Instant Recall Facts)?

Continuing Spring 2: Multiplication and Division facts— 10 and 5

times table

$10 \times 1 = 10$	$10 \times 7 = 70$	$10 \div 10 = 1$	$70 \div 10 = 7$
$10 \times 2 = 20$	$10 \times 8 = 80$	$20 \div 10 = 2$	$80 \div 10 = 8$
$10 \times 3 = 30$	$10 \times 9 = 90$	$30 \div 10 = 3$	$90 \div 10 = 9$
$10 \times 4 = 40$	$10 \times 10 = 100$	$40 \div 10 = 4$	$100 \div 10 = 10$

$1 \times 5 = 5$	$5 \div 5 = 1$
$2 \times 5 = 10$	$10 \div 5 = 2$
$3 \times 5 = 15$	$15 \div 5 = 3$
$4 \times 5 = 20$	$20 \div 5 = 4$
$5 \times 5 = 25$	$25 \div 5 = 5$
$6 \times 5 = 30$	$30 \div 5 = 6$
$7 \times 5 = 35$	$35 \div 5 = 7$

Summer 1:

$2 \times 1 = 2$
$2 \times 2 = 4$
$2 \times 3 = 6$
$2 \times 4 = 8$
$2 \times 5 = 10$
$2 \times 6 = 12$
$2 \times 7 = 14$
$2 \times 8 = 16$
$2 \times 9 = 18$
$2 \times 10 = 20$
$2 \times 11 = 22$
$2 \times 12 = 24$

Summer 2:

$3 \times 1 = 3$
$3 \times 2 = 6$
$3 \times 3 = 9$
$3 \times 4 = 12$
$3 \times 5 = 15$
$3 \times 6 = 18$
$3 \times 7 = 21$
$3 \times 8 = 24$
$3 \times 9 = 27$
$3 \times 10 = 30$
$3 \times 11 = 33$
$3 \times 12 = 36$

Summer 2 Topic— Scented Garden

In **English**, we will be focusing on Shakespeare's 'A Midsummer Night's Dream'. First, we will be writing diaries in the perspective of each of the characters. Then, we will be looking at the features of a play script and writing our own.

In **maths**, we will be focusing on time, where we learn how to tell the time using o'clock, half past, quarter past and quarter to. Then, we will explore mass, capacity and temperature, where we will look at litres, millilitres, grams and kilograms. Finally, we will recap the four operations, which were covered earlier in the year.

In **science**, we will be focusing on animals, including humans. We will be discussing how humans have offspring, which grow into adults and then thinking about what we need to survive. We will also be thinking about the importance of exercising, eating the correct foods and hygiene.

In **PSHE**, our topic will be 'changing me'. This will explore how our bodies change as we grow older. We will also be thinking about how our bodies differ.
