HeadTeacher's Message

I would like to extend a warm welcome back to all our pupils and families to the start of a new academic year. I hope you all enjoyed your summer break and are looking forward to the new term. An extra special welcome to our new nursery children, who are starting school for the first time. It was a pleasure to meet the parents this week during the two nursery workshops and we look forward to your children starting this week.

Staffing

I would like to introduce you to our new Year 5 teacher, Mrs Turner, who has joined us in place of Mr Stewart. We hope you enjoy your time at Kineton Green. Sadly we will be losing Mrs John as one of our dinner supervisors and cleaners. Mrs John has been at Kineton Green for 9 years, has had two children of her own go through the school and has been a valued member of staff. She has decided to go to pastures new and though we will miss her, we all wish her the very best in her new job. As a result we will be looking for a new dinner supervisor and a person to join 'Regent', the company who support the cleaning of the school. If any parents are interested in either post please see the school office for details.

The newly named 'Dainty Library.'

In a tribute to Mrs Dainty, for all her years of support for Kineton Green school, we decided at the end of term to rename the library 'The Dainty Library.' We are currently looking at ways in which we can continue to encourage and support our pupils' love of reading. To this end we are looking for any parents, grandparents or adult family members who would be willing to support the school by coming in to help with hearing individuals or groups of readers and /or help out in the library. We are looking for a group of volunteers who would be happy to join a rota to ensure our library is still used to its full potential. If you are an ex librarian, a book worm or an adult who is just passionate about reading and would like to help out please leave your name at the school office and we will definitely be in touch.

PTA

After a great summer and a fantastic summer fayre, the PTA are looking to continue to support the school in raising funds for the school trim trail. We have already had four stations constructed on the field and the children love going on it. Our aim is to extend the trail by another four this year. If you feel you can contribute in any way, as a PTA member or simply lending a hand at the events please come along to the PTA AGM on Thursday 22nd September in the school staffroom at 6.30pm or contact the school office or our PTA chair (Natalie Smith - kinetongreenpta@gmail.com) to let us know if you would like to get involved or confirm your attendance at the AGM. Everyone is very welcome.

The School Website

Unfortunately we are experiencing some difficulties with our school website so please could I ask you to bear with us at this time as we have been unable to update the site and have found that it has also not been accessible at times this week. We are working on this issue and should have it rectified soon.

Reminders

School Start times

Please may we remind you of the start of day times.

FS1 - FS2 - arrive at 8.50am for an 8.55am start

YR1 - YR6 arrive at 8.45am for an 8.50am start

If your child arrives late, please can you sign the signing-in book in reception with a reason for their late arrival.

Thank you.

Absences

If your child is unable to attend school due to an illness, please telephone the school office before 10.00am. Thank you.

Kineton Greens Got Talent

A huge well done to everyone who entered!!

Congratulations to our winner!

Beth Rhodes

Beehive Kids Club will be running a holiday club during October half term and inset day (Fri 21st).

To be able to book a space or find out more email s33beehive@kineton-green.solihull.sch.uk or phone 07521187066.

Uniform

It is the start of a new year and many of our children have got new uniform and look extremely smart. Please could you help us out by ensuring uniform is labelled clearly so that if it strays from its owner then we can return it quickly. The children will also require a named water bottle (with a sports top) which they can refill at school during the day. Please can I ask that the children have their hair tied up if it is long enough to do so and that only small hair accessories of school colours are worn.

New Path

Since we have changed pick up arrangements for Years One and Two the path leading to the classrooms has been increasingly become unusable particularly after inclement weather. Over the summer holidays we have had the path block paved which should alleviate the problem.
