Healthy School Status

In March this year Kineton Green renewed their Healthy Schools Status, thanks to the hard work of the staff, pupils and the school community. Amongst many aspects incorporated into this status is the promotion of healthy eating. School has several policies which contribute to the curriculum covering a range of topics which we explore with children around our Bees 'Be safe and healthy'. To support this we talk to the children about healthy eating, including snacks and lunches. Many years ago the school council requested that pupils bring in a piece of fruit, a cereal bar or an alternative healthy snack. Please could I request that children are not sent in with chocolate bars or crisps but a healthy alternative. Please can you also ensure that your child has a bottle of water every day, their brains and bodies need to stay hydrated to maximise their learning. We also have a number pupils with unnamed school uniform, please name everything to stop it getting lost! We appreciate your support in this matter. Thank you

Notice Board

We would like to apologise for the state of the notice board. The governors and I are looking into new alternatives, we will keep you posted.

Parent Governor Election

This week we have sent out a letter and ballot form for the parent governor election which will take place on Monday 10th October at 9.00am. We are very pleased to have received six nominations for the two vacancies. Please return your vote to the school office by Friday 7th October. Thank you in anticipation.

We had a great morning involving a fantastic Bake off! We had some yummy entries but **Hannah Wall** took Star Baker, well done Hannah!

Thank you once again to our amazing helpers; we couldn't have done it without you. We raised an amazing **£296.62** for Macmillan Cancer Research!

Reminders
