

HEAD TEACHER'S NEWS

SUMMER HOLIDAYS

The Summer holidays are upon us once more! We have come to the end of another academic year and as ever we are saying our goodbyes to our Year 6 leavers. It is hard to find the words to describe what an amazing year 6 they are and have been all year! You have made us proud in so many ways. Your work ethic has been commendable and you have all risen to any challenge or obstacle that you may have come across on the way. It is your time now and we know that, no matter which secondary school you will be starting at in September you will be an absolute asset. Go out and shine our leavers of 2018!!!

Not forgetting our parents - there a number of families this year who have come to the end of an era where it is the youngest members of the family who are now moving on and there won't be any more drop offs or pick ups.

Be a Life Long Learner.

YEAR 6 PRODUCTION OF 'SCHOOL DAZE':

Last Thursday evening our Year 5 and 6 parents, grandparents, family members, staff and governors were treated to an amazing display of acting, singing and dancing at the Dove House Theatre with their production of 'School Daze.'

The children from both year groups worked so well together to portray the memories of two grandparents' time at school in 2018!! You made the evening a complete delight for the audience treating them to side splitting humour and tears to many an eye by the end. An enormous well done!

May I add a little thank you to Mr Jones, Mrs Ingram, Maddie and Marcus for all their help before and during the production - we couldn't do it without you.

For parents in years 5 and 6, Mr Cunnington (the photographer) has taken a wonderful array of pictures from the night which you can purchase on a CD directly from his website.

Unfortunately the Dove House Theatre (on this occasion) did not video the performance as we had anticipated would happen - we apologise for this mix up. However during the dress rehearsal the performance was captured on one of our school ipads. We will endeavour to put this onto a memory stick for our pupils.

NEW END OF YEAR REPORTING SYSTEM

All of our end of year reports went out last week. We had intended for them to be emailed to you on Friday but this was a new system we were using and unfortunately there were a number of glitches which the local authority and Report Assist had to resolve which took a little while. You should however have received your report last Saturday. If for any reason you have not received your child's report please contact the school office and they will help rectify this for you.

STAFFING UPDATE

Mrs Grant and Mrs Ingram

It is with much sadness that I have to let you know that both Mrs Grant and Mrs Ingram will be leaving at the end of the term. Both of the ladies are highly valued members of the Kineton Green Team and will be sorely missed. Mrs Ingram has secured a position in a Birmingham Secondary School and Mrs Grant in a school near Henley in Arden. Both of these schools are very fortunate to be employing such dedicated, amazing people. We wish both ladies the very best for the future.

At this moment in time Mrs Gardener will be increasing her hours and we will be advertising for a teaching assistant over the summer holidays to fill these vacancies.

ILLEGAL PARKING

We are nearly at the end of the Summer term but could I still remind parents, who are dropping off children in the morning by car, that it is illegal to park on the zigzag lines either side of the zebra crossing (and can pose a danger to our pupils) and to park on the double yellow lines down Brookvale Road. Any number plates taken down doing this will be passed onto the police.

HOCKEY SUCCESS AT COUNTY FINALS

The Kineton Green Hockey team enjoyed a great day at Warwick University on 6th July. The team who won the South Solihull finals in April progressed onto the County School Games Finals to play against teams from across Coventry, Solihull and Warwickshire.

The team of 8: Evie, Emily Tia, Jack, Thomas, Vinnie, Henry and Samuel played fantastically well to finish top of their group again in the round robin stages. They progressed onto the playoffs ensuring they saw through two important wins to reach the finals.

A thrilling final meant the 15 minute game continued for nearly half an hour when it was agreed Kineton Green would be joint winners of the tournament. A sterling effort from individuals who hadn't played hockey before this academic year. A brilliant effort from all and huge credit to them for going a whole 12 games unbeaten and having not conceded a goal. You have done yourselves, the school, your families and Mr C very very proud. Keep it up!!

SPORTS DAY

Thank you to all the parents and carers who came along to our infant and junior sports day this week. Postponed from a couple of weeks ago, due to the high temperatures, we still had a lovely day but fortunately not as hot! Well done to all the children taking part and to all the staff, especially Miss Taylor who organised the day. The points have been totalled up and are as follows:

Egyptians - 337 points

Romans - 332 points

Victorians - 315 points

Vikings - 308 points

These points will be added to the Class Dojo points for the year and the house team who have won the house shield for the year will be announced next Tuesday.

On Saturday 30th June we held our annual Summer Fayre. It was a glorious day with wall to wall sunshine. From bouncy castles, barbecues, Maypole dancing, stalls and activities such as face painting and slime making, it all made for a fabulous day. A big thank you must go to our Chair - Laura Davies, our treasurer - Yvette Hill and the staff and parents who came to help set up, run and clear away. The final total raised on the day was £1262.

There were a number of lucky winners on the day, some of which we have highlighted below - well done to:

ROUNDERS TOURNAMENT

On Wednesday 4th July, 10 pupils from Yr 6 represented KG at Solihull School in a rounder's festival.

Armed with lots of fluids, hats and sun-cream, on what was an exceptionally warm day, they arrived brimming with confidence and full of smiles.

We played four competitive games of rounder's and came away with a couple of very tight score lines and two very convincing wins. The Yr6's were the model students in everyway and represented KG remarkably well.

Well done to Harry Ingram, Henry Atkinson, Gabin Decamme, George Needs, Milan Keshvala, Preet Powar, Lily May Hopes, Katie Ridgers, Chloe Draper and Isabelle Ross for such an enjoyable morning.

Big thank you to Mrs Needs and Mr and Mrs Visana for helping to get the children to Solihull School and for their support on the day.
