BE A LIFE LONG LEARNER

School Council

The school council meet every two weeks to discuss school issues and to consider pupils ideas and suggestions. They have decided to support Comic Relief this year and will be organising the arrangements to buy and then sell on red noses to the pupils in school. More details to come. Red Nose Day - Friday 15th March.

Parents Evening

Thank you to all our parents and carers who attended parents evening this week. If, for whatever reason, you were unable to attend and would still like to speak to your child's class teacher please contact the school office and we will do our best to make a suitable date and time for you.

Parent View:

School very much values the opinions and suggestions from our parents and carers. At this time of year we try to collect as many of your views as possible. To this end we would invite you to register your views on the, 'Parent View,' website. If you have registered in the past then all you will need is your password if not it should only take 5-10 mins of your time to register in order for you to complete a short questionnaire. The school governors do go through your responses and do value your views and ideas.

To contribute please go to www.parentview.co.uk

The squad have been training every Friday for the last few months in preparation. This is a skills tournament in which the squad have to perform a set number of skills against the clock. I am very pleased to say that the girls finished in 7th place out of a total of 18 schools with a time of 5minutes 50 seconds. Well done to Tiah, Shama, Danielle, Evie, Emily, Georgia, Tia, Alisha, Anaya and Mia.

BE SAFE AND HEALTHY:

Parking:

Outside school:

I am concerned about the number of parents who are still parking illegally or inconsiderately when dropping off or picking up from school. We have been sent pictures by concerned parents who are worried about the safety of our children. We would ask the owners of the following vehicles to please put our pupils' safety first and park responsibly in future.

KM17 ZDR - parking on the zig-zag lines next to the zebra crossing.

Thank you once again to the majority of our parents who do park legally and safely.

Thank you to the owner of SJ53 UZN - silver Mercedes who is now parking further down the road and not on double yellow lines.

On school site:

Recently we have reorganised staff parking allocations and, as a result, created a newly positioned, disabled space. We will be acquiring some new signs to indicate where this is and would ask that only parents who have permission to come down the drive and use this space park there. At the moment we are using a road cone to ensure this space is kept clear.

PTA meeting:

Thank you to all the parents who attended the PTA meeting last Wednesday. I am very pleased to say that the PTA is now in a position to donate approximately £4,000 to the school.
