Sponsored read!

"The more you read
the more things you know.
The more that you learn
the more places you'll go."
- Dr. Seuss

World Book Day

The main event! Staff and children will be dressing up as literary figures and donating £1 for BookAid. Book Aid is the UK's leading international book donation and library development charity, whose vision is "a world where everyone has access to the books that will enrich, improve and change their lives".

Exciting 'bookish' adventures are on the way!

Sponsored Read

Children will be sponsored to read as much as they can from Monday to Friday! The sponsorship money will go towards new books for the school library, the classroom book corners, and new home reading books. Further details are attached.

As many of the Y6 children will be at PGL this week, they will be given the chance to complete their sponsored read from Saturday 8th-Wednesday 13th March.

Every penny counts and, depending on the amount of money raised, Usborne will give us even more money to spend on books. That means that if we raise £600 as a school, we would get £360 extra to spend on books! There will be a prize for the child who raises the most amount of money in each class – so get ready to start fundraising for school!

Golden Ticket!

In an effort to ensure our children are reading a wide range of books, I will be hiding a few golden tickets in library books that have not been issued for a while. If a child finds a golden ticket and can answer questions about the book, they will win a prize.

The Best Review

All of the children are encouraged to write a review of any book of their choosing. A winning review will be chosen from FS1 & FS2, Year 1 & 2, Year 3 & 4, Year 5 & 6. I'll be looking for reviews that are informative, entertaining and/or persuasive. The younger children could do their review in the style of poster. The winner will have their book purchased for the library.

The Kineton Green Newspaper

We will be launching our very own pupil newspaper club! Our first issue will include reports on the book week events, Y6 adventures at PGL, school sporting events, and the winning book reviews. This will be a publication by the children, for the children, but we will post the final edition on the school website for you to see too.

#Shelfie

All of the children need to bring in their favourite book on Monday. The children will be given the opportunity to talk about their book and why they like it so much. All of the class books will be put together to take a #shelfie, which will be posted on Twitter and Class Dojo to show the diverse interests of the children at Kineton Green.

NETBALL MATCH - 13TH FEBRUARY 2019

On Wednesday 13th February, Kineton Green netball team played an excellent match against Oak Cottage. It was a tough challenge but we managed to overcome it. After several passes, the first goal was scored and during the rest of the first quarter we achieved 2 more goals. Whilst we were in the lead Oak Cottage stepped up their game which made it an even more intense game. The rest of the quarter we all played a great match but in the end Kineton Green were the winners. Final score: Kineton Green - 9 Oak Cottage - 0.
