NATIONAL MENTORING AWARDS

We have some amazing news!

Our very own Mr C was nominated and then shortlisted in this year's disability mentoring category. The awards ceremony was held in London on Saturday 5th March. I am so pleased to announce that Mr C won the award! It was the first time we have seen Mr C in a tuxedo! I am sure you will agree how well deserved this award was and how much time and effort Mr C puts into all the children he works alongside. Congratulations Mr C - we all think you are the Bees Knees!

BE SAFE AND HEALTHY:

Parking:

Outside school:

Can I say a huge thank you on behalf of all our staff and pupils as we have seen a real improvement in people parking more safely and considerately. This will help to keep our children safe and minimise the risk of accidents. It is much appreciated.

I would like to remind the owner of the car with registration number MT67 OJM of Rule 243 in the highway code which states - Do not stop or park opposite or within 10 metres of a junction, except in an authorised parking space. There are no yellow lines there currently, but the local Councillor is planning to request these. For more information:

On school site:

We have been experiencing some difficulties with parking first thing in the morning which, is causing a lot of disruption and delaying staff being able to access the site. Please could I remind parents and carers that only those dropping off at our Beehive Kids club may access the site via car to drop off. The barrier will be closed at **8.15am** and opened again at **4.30pm**. Parents are not allowed access on site between these times. We would ask any parents who are dropping off for before school clubs to park on Kineton Green Road and walk their children down (parking should be freely available on the road at that time). Unfortunately if the disruption continues then we may have to consider closing the school car park to parents completely (other than disabled users) which is something we would prefer to avoid.

Huge congratulations to our Y3 and Y4 mixed football team who took part in their first ever tournament together (having never trained or played together before as a team) finishing 2nd, winning 3 games, drawing 1 and losing 1 game. It was a fantastic evening of football so huge congratulations to Max, James, Ethan, Molly, Finley and Sam, we are all very proud of you.

PE KITS AND EARRINGS!

Can we please remind children that they are not to wear earrings during PE. It is advised that if pupils do wear earrings in the day of their session, that they are able to remove them and put them back in after PE, or ideally not worn on their PE days.

Can pupils also ensure they have the correct kit for PE. Pupils should have with them in school both an indoor and outdoor PE kit.
