

## HEAD TEACHER'S NEWS

### BE CONFIDENT

#### South Solihull Netball Tournament

The Kineton Green netball team took part in the South Solihull Netball Tournament this Tuesday at Lode Heath School. The small school tournament involved ten different schools competing in two groups. Kineton Green's squad of 7 was reduced to 6 during the first few minutes of the first match when Emily took a tumble and sprained her ankle. The team regrouped and went on to win their first match against Oak Cottage 2:0. They kept the pressure up in their second match to narrowly secure a second win, 3:2 against Cheswick Green. The team's third encounter proved a difficult one. Coppice was a strong team who played well to win 1:5.

Our final group match was a convincing 4:0 win against Our Lady of Compassion. This meant the team finished in first place in their group on 16 points. As many of the matches in the group were so close two other teams also finished on 16 points meaning the decision to find a finalist went down to goal difference. This did not go in Kineton Green's favour enabling Coppice School to go through to the final.

It was a great afternoon enjoyed by all. The team showed great resilience and team work supported by our enthusiastic mums and dads. Well done to the team of Evie (captain), Tiah, Tia, Alesha, Danielle, Sham and Emily (to whom we wish a speedy recovery).

Kineton Green's football Team have also been enjoying a successful season. Watch this space to find out where they finished in their league this year.

#### Year 5 Easter Assembly

We are delighted to remind you that Year 5 are performing their Easter assembly in St Margaret's Church on Wednesday 10th April at 2pm (please check).

Year 5 parents are invited to join us but there is ample space in the church for other parents if they would like to celebrate with us.

### BE A LIFE LONG LEARNER

#### Booster Classes

Since the beginning of January we have been running early morning booster classes for Year 6 and more recently Year 5 and Year 2. These classes have been very successful in building up pupils' confidence and giving staff the opportunity to recap and support areas where pupils need that extra 'boost'. These have proved to be extremely effective. I would like to say a big thank you to all the staff involved who give of their time and to all parents who persuade their children to get up a little earlier to attend.

#### PGL Assembly

This Wednesday afternoon we were treated to a fabulous year 6 designed assembly to celebrate their recent residential week at PGL. The Year 6 parents and Year 5 pupils were treated to a mixture of memories, enactments, songs and videos of the classes experiences at Boreatton Park. We hope parents enjoyed seeing what their children got up to during the week and that it has inspired our Year 5 pupils to want to go themselves, next year. A huge thank you to Mr Jones, Mrs Perkins and Mr C who all made the week so enjoyable.

## BE SAFE AND HEALTHY

### Parking:

#### On school site:

Unfortunately we are still experiencing some difficulties with parking first thing in the morning which, is causing a lot of disruption and delaying staff being able to access the site. Please could I remind parents and carers again that only those dropping off at our Beehive club may access the site via car to drop off. The barrier will be closed at 8.15am. We would ask any parents who are dropping off for before school clubs to park on Kineton Green Road and walk their children down (parking should be freely available on the road at that time.) Wednesday appears to be the busiest day when we are experiencing the most problems.

If parents continue dropping off for school clubs other than Beehive we will have no choice but to close the school car park to parents completely (other than disabled users) which is something we would prefer to avoid.

## BE RESPECTFUL

### Mothers' Day Meal

We would like to say a big thank you to all the mums and grandmas who joined us this Wednesday and Friday for our Mothers' Day Meal. Mrs Grubba and her team prepared a delicious feast for all and the children were delighted to spend the time with their mums and grandmas. We hope you are all spoilt rotten this Sunday!

**Summer-Angel B - For her independent writing of the story 'Owl Babies'.**

**Jayden P - For amazing progress in his reading.**

**Riley B-K - For writing a super 'Baby Owls' story.**

**Dylan W and Brooklyn McC - For following instructions first time and making really good choices.**

**WELL DONE**
