

Kineton Green Primary School

Autumn 2019—Issue 4 (11.10.19)

Head Teachers News

Parents Evenings

Parents Evenings will be held on Tuesday 22nd October and Wednesday 23rd October 2019 from 4-7pm. Please go on to kinetongreen.parentseveningsystem.co.uk to book your appointment. Parents with pupils on our SEND register are able to book 20 minute appointments in which staff will be sharing the children's toolkits (if they are on these). If you have changed your email address please let the office staff know straight away otherwise you may be unable to book. If you are having difficulty booking please let the office know as soon as possible so we are not trying to book at the last minute. Bookings will close on Monday 21st at 6pm so please ensure you book before this time/date.

Reminder - Annual Parent and Governor Meeting

Each year the governors hold a parent and governor meeting in order to disseminate information to parents regarding many aspects of the running and management of the school. Governors very much want to listen to the views of parents, in order to help shape plans and developments for the school as well as keeping you informed as much as possible. This term's parent and governor meeting is scheduled for Wednesday 20th November at 7pm. A brief agenda will be put into the newsletter nearer the time but there will be regular items such as the school's three-year strategic plan, priorities for the school development plan and an update on school finances. Once again could we ask you to book via the school booking system kinetongreen.parentseveningsystem.co.uk Bookings will be open from Friday 11th October.

Open Events for Prospective New FS1 and FS2 Parents.

Next Wednesday 16th October at 10.00-11.00am and from 6pm-7pm we will be holding open events for any parents who will be looking to start their children in FS1 or FS2 from September 2020. If you do know anyone who would be looking for places please pass the message on.

New Gates and Security Fencing

Due to a number of different reasons, including the weather the completion of the gates has been delayed. Camera One are hoping to have the main vehicular gate and the pedestrian gate working and tested by the end of next Monday 14th October. We will send out a School Comms letting you know when the new fobs (for those parents of Beehive who have requested one) will be operational. We are expecting the new rear fencing and gates to be fitted this weekend, weather permitting.

HEAD TEACHERS NEWS —CONTINUED

Permission Forms

Before we broke up for the summer holidays the school office sent out permission forms for parents to complete to update details and give permissions for photograph usage etc. Due to the new data protection laws, if the forms are not returned we will assume that you do not give permission and your child/ren may miss out on events or celebrations such those contained in the school newsletter or on our website. Please therefore can we urge you to return those permission forms as soon as possible.

One of our first events will be the individual pupil photographs which is booked in for Thursday 24th October and we will be unable to allow your child to have their photograph taken unless we receive your completed permissions form as the company need access to pupil names, classes and pupil ID numbers.

Mental Health Awareness & Make A Difference Day

On Thursday we celebrated Mental Health Awareness Day and Make A Difference Day by wearing yellow or blue or both and bringing in a food donation or £1 to give to these two charities. Thank you to everyone who took part and I am pleased to say we collected a whole range of foods which will take to the local food banks and £152 which we will donate to the Mental Health Awareness Charity.

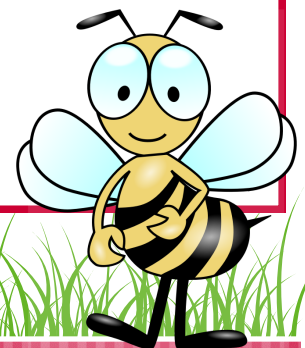

Just to remind our Year 4 parents – they will be performing their harvest assembly at 2.45pm on Tuesday 15th October in the school hall. Any further donations of food will be gratefully received on the day. We look forward to seeing you then.

Cross Country Event

Thank you to the children and parents who were involved with the cross country event held at the Old Silhillians Sports Club on Tuesday 8th October. All of the children tried their best and did really well. Thank you so much for supporting us in being an active school!

Netball Match

Yesterday the Kineton Green Netball team played their first match of the season against Dickens Heath 'A' Team. Everyone in the team played incredibly well and gave it their all. The final score of 11-0 to Dickens Heath does not truly reflect the close fought nature of the match.

GOLD BOOK

CLASS	w/c 30th September 2019	w/c 7th October 2019
FS1	Maya N	Bailey M
